# Welcome!

Origination was founded in 2011 by Greg Schwarz and Brandon Maughan. Origination has benefitted thousands of youth over the years with life changing experiences!

Our careers in real estate have paved the way for us to run and operate Origination, our true passion! **Building relationships and connecting with youth to help find their purpose and happiness in life through living the Gospel of Jesus Christ is what it's all about!** We're grateful to so many who have sacrificed for this program to thrive, most importantly, our Origination Family! A term we don't throw around casually. The experiences we've shared with your kids over the years bond us forever and we genuinely love you for giving us that opportunity! If you're new to our program we're looking forward to getting to know you and are committed to providing a safe environment where your son/daughter can learn and grow from the Spirit!

Thank you and much love!!

Greg & Brandon
